- 8.2 Collectively, though not exhaustively, the information referred to in clause 8.1 or any portion thereof, constitutes the **"Instructions"**.
- 8.3 Fusion Markets will immediately provide you with, either verbally or via the Internet, prices at which the relevant Contract can be purchased or sold. These are the **"Trade Contract Terms"**.
- 8.4 If you, an Authorised Person or an attorney, then indicate by either telephone or by clicking the relevant button (e.g. an "buy" or "sell" button") on the Online Platform that they accept the Trade Contract Terms (**"Acceptance"**) then Fusion Markets shall have a discretionary right to create a Contract within a reasonable time after receiving the Instructions. If Fusion Markets exercises this right, then a Contract is formed between you and Fusion Markets. When a Contract is created the parties shall become bound by the content of the relevant Trade Contract Terms and these Terms.
- 8.5 If Fusion Markets declines to exercise the right to create a Contract, Fusion Markets shall not be obliged to:
- (a) give a reason for declining; or
 - (b) notify you that Fusion Markets has not created a Contract with you.
- 8.6 You shall indemnify Fusion Markets for any error made by you, an Authorised Person or an attorney in providing Instructions to Fusion Markets.
- 9. Providing instructions**
- 9.1 If you, an Authorised Person or an attorney use Fusion Markets' online trading system (Online Platform), you confirm and accept the following:
- (a) you may be able to enter into Contracts at the rates and/or prices quoted on the Online Platform.
 - (b) all Contracts must be completed using the Security Information allocated to you by Fusion Markets and valid entry of such Security Information will constitute an authorisation by you to complete the Contract specified irrespective of whether the Security Information is entered by an Authorised Person or an attorney.
 - (c) You must ensure that the Security Information is kept secure and confidential. You must also ensure that each Authorised Person or attorney to whom Security Information is provided, will keep them secure and confidential. You will advise Fusion Markets immediately if you have any reason to believe that the Security Information allocated to you, an Authorised Person or an attorney has not been kept secure and confidential.
 - (d) you must ensure that no unauthorised person is able to use the Security Information. As part of this obligation you must ensure that each Authorised Person and attorney quits the internet browser after using the Online Platform.
 - (e) Fusion Markets may taking steps it considers reasonable at any time without Notice suspend, withdraw or deny access to the Online Platform for any reason including but not limited to security, quality of service, failure by you to pay an amount when due or breach by you of any provision of these Terms. If and while such access is suspended:
 - (i) you will be able to close any Open Positions but will not be entitled to enter into new Contracts
 - (ii) Fusion Markets may, at its sole discretion (without or without notice), close out your Open Positions at prices it considers fair and reasonable at that time, and you agree not to make any claim against Fusion Markets in this regard.
 - (f) Fusion Markets may change the minimum specification required to access the Online Platform and also may make operational changes to and alter the services currently available at any time. Fusion Markets will notify you of such changes by either

placing a message on the Fusion Markets website, log on page of the Online Platform or by email or SMS.

- (g) You are responsible for obtaining, maintaining and ensuring compatibility of your electronic software, devices and equipment. Fusion Markets will not be responsible for any loss of or damage to your data, software, computer, electronic devices, telecommunications or other equipment caused by use of the Online Platform, unless such loss or damage is directly and solely caused by our negligence or deliberate default.
- (h) You are responsible for ensuring that your electronic devices and equipment are free from viruses and other malware and Fusion Markets will not be responsible for any losses incurred by failure to do this. Fusion Markets shall use reasonable endeavours to keep the Online Platform free from viruses and corrupt files but cannot guarantee that the Online Platform will be free from infection by viruses or anything else with contaminating or destructive properties. Fusion Markets is not able to guarantee that access to the Online Platform will be uninterrupted, continuous or error free.
- (i) You must not:
- (i) misuse the Online Platform by knowingly introducing viruses, trojans, worms, logic bombs or other material which is malicious or technologically harmful;
 - (ii) attempt to gain unauthorised access to the Online Platform or any server, computer or database connected the Online Platform;
 - (iii) attack the Online Platform via a denial-of-service attack or a distributed denial-of-service attack.

By breaching this provision, you may also commit a criminal offence. Fusion Markets may report any such breach to the relevant law enforcement authorities and will co-operate with those authorities by disclosing your identity to them. In the event of such a breach, your right to use the Online Platform will cease

immediately and without Notice. Fusion Markets will not be liable for any loss or damage caused by a distributed denial-of-service attack, virus or other technologically harmful material that may infect your electronic devices and equipment.

- (j) You will be liable for all Contracts made when using the Online Platform including instances of any misuse, fraud or abuse by you, an Authorised Person or an attorney or where the Client, an Authorised Person or an attorney has disclosed any Security Information to a third party.

9.2 Fusion Markets will not typically accept Instructions face to face at Fusion Markets' Registered Office. However, Fusion Markets may at its discretion allow an Authorised Person or attorney to request Fusion Markets to accept Instructions, enter into Contracts and make financial dealings by physically visiting Fusion Markets' Registered Office. You acknowledge and agree that upon the acceptance by Fusion Markets of the Authorised Person or attorney's Instructions, you shall be bound by those Instructions.

9.3 An Authorised Person or attorney may request Fusion Markets to accept Instructions and enter into Contracts by telephone. Fusion Markets may check the authority of the caller by requesting the caller give his or her name and confirming that such name has been notified to Fusion Markets by you as an Authorised Person. Fusion Markets may at its discretion ask the caller for additional information to confirm the caller's identity. Upon such check confirming the identity of the caller, Fusion Markets may assume that the caller has the full authority as previously advised by you.

9.4 You acknowledge and agree, and will ensure that each Authorised Person and attorney acknowledges and agrees, that Fusion Markets may make a recording of any telephone conversation between any person and Fusion Markets at any time. The recording remains the property of Fusion Markets. The telephone recording can be used by Fusion Markets to confirm the terms and conditions of any Contract where there is dispute with a Client as to the Trade Contract Terms of the Contract, and for training, monitoring and compliance purposes.

10. Method and timing of payment

10.1 You must not deposit physical cash into Fusion Markets' accounts under any circumstances. Fusion Markets has an absolute discretion as to whether you may pay by cheque.

- 10.2 Any sums that you owe to Fusion Markets must be paid in one of the following ways:
- (a) by online bank transfer;
 - (b) by same day bank transfer;
 - (c) by cheque (with the consent of Fusion Markets);
 - (d) by international telegraphic transfer; or
 - (e) by payment through a credit card or electronic gateway provider approved by Fusion Markets from time to time.
- 10.3 You must have sufficient cleared funds deposited in Fusion Markets Trust Account before Fusion Markets will execute any Contracts. Fusion Markets will indicate to you the sum required as the Initial Margin for each Contract.
- 10.4 Fusion Markets may not have time to notify you of any change in the amount of the Initial Margin or further margin for any Contract by giving Notice. Any increase in the amount of the Initial Margin will be due and payable immediately without Notice to you.
- 10.5 Fusion Markets may impose other fees and charges for using its services, by providing Notice to you. If you do not consent to the charges, you can terminate these Terms and the charges will not apply to new Contracts. If you terminate these Terms under this clause, all existing Contracts will survive the termination of these Terms.
- 10.6 Fusion Markets is not responsible for any fees or charges imposed by third party banks or other counterparties, which are incurred by you in connection with the use of Fusion Markets services.

11. Credit Limits

- 11.1 You understand that:
- (a) Fusion Markets may grant certain Clients a Credit Limit. A Credit Limit is:
 - (i) a pre-agreed amount of currency that can be offset against a negative mark to market value on an Open Position; or
 - (ii) an amount applicable to unsettled trading losses to some or all Contracts (either individually or in aggregate or both); and/or

- (iii) an amount that reflects the amount paid by you to a Fusion Markets approved third party merchant, which has not yet been received by Fusion Markets.
 - (b) if the negative mark to market of an Open Position is approaching or has exceeded your Credit Limit, Fusion Markets reserves the right to Margin call you in an amount entirely at Fusion Markets' discretion;
 - (c) Fusion Markets is not obliged to provide credit to you; and
 - (d) any Credit Limit set by Fusion Markets may be reduced or withdrawn at any time by giving Notice to you.
- 11.2 You acknowledge that if Fusion Markets acts on an Instruction which would result in a Credit Limit being exceeded:
- (a) Fusion Markets is not obliged to advise you that the Credit Limit will be exceeded;
 - (b) you will continue to be liable to Fusion Markets for all amounts including those above the Credit Limit; and
 - (c) Fusion Markets is not obliged to act upon any subsequent Instruction where a Credit Limit might be exceeded.

12. Authorisation Limits

- 12.1 You may inform Fusion Markets of an authorisation limit applicable to some or all Contracts either in general or for particular Authorised Persons or attorneys.
- 12.2 Any authorisation limit provided by you to Fusion Markets may be withdrawn by you at any time by giving Notice to Fusion Markets.
- 12.3 Fusion Markets may, at its own discretion, impose an authorisation limit on the Client and/or one or more Authorised Persons or attorneys at any time, by providing Notice before the imposition of the limit.

13. Interest Charges on Open Positions

- 13.1 For any Open Position held by you, Fusion Markets will from time to time add an amount to the Account for interest earned, or subtract an amount from the Account for interest incurred from the Value Date until the position is liquidated, in the following manner:

- (a) For buying of one currency against the sale of another currency and the currency bought has a higher interest rate than the currency sold, the amount of interest arising therefrom shall be added to the Account.
- (b) For selling of one currency against the purchase of another currency and the currency sold has a higher interest rate than the currency bought, the amount of interest arising therefrom shall be subtracted from the Account.
- (c) For commodities contracts and cryptocurrency contracts, any interest entitlement or liability arising from buying or selling the commodities shall be respectively added to, or subtracted from, the Account.
- (d) In the case of a negative interest rate, interest arising therefrom shall be subtracted from the Account.
- (e) In all cases, interest shall be at the annual rate to be determined by Fusion Markets from time to time without Notice.

14. Margin Cover

14.1 You agree and acknowledge with each of the following:

- (a) Margin Cover refers to the amount paid or payable to Fusion Markets as it requires (to protect against your realised or unrealised liabilities on Contracts) and which is credited to your Account. The minimum amount of the Margin Cover is determined by Fusion Markets in its absolute discretion.
- (b) A Margin payment is the amount you pay Fusion Markets for crediting your Account as Margin Cover.
- (c) The time for your payment to maintain Margin Cover is of the essence.
- (d) You must maintain at least the amount of Margin Cover required by Fusion Markets whether or not Fusion Markets gives any Notice to you to make those payments or you have actual Notice of the required amount. The required amount of Margin Cover can change continuously and can change automatically, including over the week-end or other non-trading days. Your

obligation to maintain at least the required amount of Margin Cover is continuous.

- (e) You must ensure that for so long that you have an Open Position, the Margin Cover must always remain positive. If not, your Open Position may be Closed Out by Fusion Markets without prior notice to you.
- (f) Your obligation to maintain Margin Cover arises at the time the Contract is executed.
- (g) It is solely your responsibility to monitor and to satisfy all Margin Cover requirements.
- (h) A Margin payment is credited by Fusion Markets at the time cleared funds have been received into the Fusion Markets Trust Account and Fusion Markets has applied the payment to your Account or such other time as allowed by Fusion Markets. This means a Margin Cover requirement for a Contract is not satisfied unless and until your payment is received in cleared funds into the Fusion Markets Trust Account and applied to your Account by Fusion Markets.
- (i) Your liability in respect of Margin requirements is not limited to the amount, if any, initially paid to Fusion Markets for your Account. You are responsible to pay any deficit owing to Fusion Markets after Close Out of a Contract and if you default in payment of such deficit, Fusion Markets may pay the deficit out of the Account or realise any Fusion Markets Products held by Fusion Markets and apply the amounts or proceeds against that deficit and you are responsible for the full and prompt discharge of the deficit (which exceeds the value of the Account) by making payment in full to Fusion Markets immediately when that deficit arises.

15. Forced Liquidation

15.1 You required to maintain sufficient level of Margin Cover. Fusion Markets reserves its full rights to close out all Open Positions:

- (a) when the Stop Loss Order is reached; or
- (b) your Margin Level falls below the Margin Closeout Level; or
- (c) you fail to maintain the required Margin Cover; or

- (d) if at any time the pre-agreed Credit Limit assigned to you by Fusion Markets is no longer sufficient to cover the negative mark to market value of any or all Open Positions that you have open with Fusion Markets.
- (e) at any time, and from time to time, Fusion Markets determines that the value of all of your Open Positions (and not taking into account any cash balance in your Account) represents a substantial net unrealised loss to you such that, in Fusion Markets' belief, the continued trading, or failure to Close Out, one or more of your Open Positions will or is likely to materially prejudice your Equity.
- 15.2 Fusion Markets shall have the right, at its sole discretion, to determine the mark to market value from time to time.
- 15.3 In addition to other remedies available to Fusion Markets, if you fail to pay an amount when due under these Terms, Fusion Markets has the right to terminate (by either buying or selling) any or all of your Open Positions.
- 16. Division events**
- 16.1 If a Division Event occurs in relation to any Underlying Instrument and/or its issuer or technology environment (for example, Distributed Ledger Technology), Fusion Markets may, acting in a commercially fair and reasonable manner, make adjustments to your Open Positions, Stop Loss Orders, Limit Orders and Trailing Stop Loss Orders.
- 16.2 The adjustments Fusion Markets may make will be determined reasonably and will be binding on you. Such adjustments may include, but are not limited to one or more of the following:
- (a) changing the amount of any Initial Margin in relation to Open Positions and new Contracts;
- (b) adjusting the opening price of an Open Position, to reflect the impact of the relevant action or event;
- (c) opening one or more new positions;
- (d) closing one or more Open Positions;
- (e) cancelling any Stop Loss Orders, Limit Orders and Trailing Stop Loss Orders;
- (f) suspending or modifying the application of any part of these Terms;
- (g) crediting or debiting sums to the Account as appropriate; and
- (h) taking any and all such other action, as Fusion Markets considers reasonably necessary.
- 17. Set off against monies owed**
- 17.1 In addition to other remedies available to Fusion Markets, if you fail to pay any amount when due under these Terms and/or if a Default Event occurs, Fusion Markets may set-off such amount against any amount payable by Fusion Markets to you.
- 17.2 Fusion Markets is entitled to set-off against any amounts due to it by you, any amounts received by Fusion Markets from or on behalf of you including but not limited to moneys received as Initial Margin or Margin calls. Fusion Markets may determine the application of any amounts which are to be set-off at its own discretion.
- 17.3 You must not set-off against any amounts you owe to Fusion Markets, any amounts Fusion Markets owes to you.
- 18. Delay**
- 18.1 Fusion Markets will use all reasonable efforts to process your Contract order on a timely basis. However, Fusion Markets shall not, in the absence of wilful misconduct, be liable for delays, damages, failures or errors in the completion of the Contract order.
- 19. Rates**
- 19.1 Rate indications from Fusion Markets are available via the Online Platform (the "**Indication**"). The Indication is not binding, and you agree to accept the prices offered by Fusion Markets when the Contract is executed
- 20. Material Error**
- 20.1 Fusion Markets will take reasonable steps to prevent Material Errors from occurring.
- 20.2 Should a Material Error occur Fusion Markets:
- (a) reserves the right to make the necessary adjustments to correct the Material Error; and
- (b) is not liable for any damages, claims, losses, liabilities or costs arising from the Material Error.
- 20.3 Any dispute arising from a Material Error will be resolved on the basis of the fair market value (plus

Fusion Markets' typical spread), as determined by Fusion Markets acting reasonably, of the relevant Contract(s) at the time such Material Error occurred.

21. Deduction of Intermediary/Receiving Bank Fees

21.1 In some circumstances a number of intermediaries may be involved in a payment Contract and may deduct a charge. The receiving bank may also take a charge. These charges cannot always be calculated in advance, and you will be liable for these expenses.

21.2 Fusion Markets will not be liable for losses that result from fees under clause 21.1 being levied. Fusion Markets will use its best endeavours to ensure that all fees associated with a Contract are disclosed in the Trade Contract Terms. However, due to the complexity of the international foreign exchange markets this may not always be possible. If it is important that an exact amount of a particular currency arrives, you agree to advise Fusion Markets accordingly and Fusion Markets may be able to pre-cover any undefined charges.

22. Circumstances beyond Fusion Markets' Control

22.1 If Fusion Markets is unable to perform its obligations under these Terms or a Contract because of factors beyond its control or because of a Force Majeure Event, Fusion Markets will notify you as soon as is reasonably practicable and will use reasonable endeavours to secure the return of any money paid by you in respect of which Fusion Markets has been unable to discharge its obligations under these Terms.

22.2 In the case of a Force Majeure Event, Fusion Markets may also take any other steps it considers reasonably necessary, including but not limited to altering the Initial Margin, closing any or all Open Positions, amending or varying this Agreement and/or any Contract insofar as it is impractical or impossible for Fusion Markets to comply with its obligations to you.

22.3 Fusion Markets may give a notice ("**a Disturbance Notice**") to you at any time if it forms the view that market conditions in the relevant market for the Underlying Instrument are seriously disturbed. This includes circumstances where, in Fusion Markets' opinion, the Underlying Instrument is not available (for example, deposits in the currency concerned are not available) in the ordinary course of business to Fusion Markets in the relevant market or because of national or international financial, political or economic circumstances, or because of exchange controls.

22.4 When a Disturbance Notice is given under clause 22.3, Fusion Markets' obligations will be suspended while it and you negotiate alternative arrangements. If both parties reach agreement before the Value Date, those alternative arrangements will apply. If they do not reach agreement within that period, each will be released from its obligations under the relevant Contract.

23. Fees and charges

23.1 Any profit or loss net of any fees and charges (that is, the realised gain or loss) arising on Closing Out a Contract will be credited or debited (as the case may be) against the Equity, in the Account currency.

23.2 You owe us, and must pay to us or as we direct (in accordance with these Terms):

- (a) any Contract charges including all Contract commission, charges, fees, Margins, settlement and clearing fees and charges, interest, default charges and Taxes (including GST but excluding Fusion Markets' income tax or penalty tax and levies) and any other amounts due under these Terms on demand by Fusion Markets in cleared funds or otherwise as required by these Terms;
- (b) a Contract Fee for each Fusion Markets Product or Contract (as the case may be) being the fee from time to time specified by Fusion Markets to be the amount payable by you to Fusion Markets in respect of each such Contract;
- (c) any royalty or other fee which must be paid for the use of prices or information provided to you via access through the Online Platform or otherwise by any Exchange;
- (d) (if applicable) a monthly access charge for the use of the Online Platform provided by Fusion Markets, as specified by Fusion Markets from time to time;
- (e) the Finance Charge calculated as disclosed in the PDS, FSG, a supplementary disclosure document or in any other permitted way of notifying you, such as on Fusion Markets' website or the Online Platform, in the amount of the Finance Charge Adjustments from time to time;
- (f) Finance Charge Adjustments applicable to any Contract or Account;

- (g) any fees, Taxes, stamp duty or other charges as may from time to time be levied on or in connection with any Contracts entered into with you; and
- (h) in respect of any unpaid amounts required to be paid under these Terms including, (without limitation) any amounts due as a result of your failure to pay interest on all such amounts denominated in Australian dollars at the Base Rate then generally applicable for debit amounts on Accounts plus a rate of interest per annum as reasonably determined by Fusion Markets (but so that the total rate does not exceed generally prevailing rates for personal unsecured loans in comparable amounts), such interest to accrue daily from and including the due date to and including the date of its payment in full.
- Guidance note: this is the rate of interest you pay if you default on making any payment to Fusion Markets. It is not the rate for any Finance Charge Adjustment.*
- 23.3 We owe you and must pay you (in accordance with these Terms) Finance Credit Adjustments applicable to any Contract or Account from time to time, calculated as disclosed in the PDS, FSG, a supplementary disclosure document or in any other permitted way of notifying you, such as on Fusion Markets' website or the Online Platform.
- 23.4 Any amount or rate or formula which is to be specified by Fusion Markets may be specified by a PDS, FSG, a supplementary disclosure document or in any other permitted way of notifying you, such as on Fusion Markets' website or the Online Platform. The amount of any fees and charges or other amounts payable by you to Fusion Markets in respect of any Contract will be set out on the Online Platform to the extent known at the time.
- 23.5 **GST-inclusive.** The amounts of or basis of calculating the fees, commissions, charges and credits referred to in this clause 23 will be as notified from time to time in writing by Fusion Markets, either by way of a PDS, posting on the Online Platform (including by way of Contract prices), notification to your contact address, posting to Fusion Markets' website or as otherwise agreed with you or permitted by these Terms.
- 23.6 If:
- (a) you are required to make a deduction or withholding in respect of Tax from any payment to be made; or
- (b) Fusion Markets is required to pay any Tax (other than income tax) in respect of any payment made in relation to these Terms at your request,
- then you:
- (c) indemnify Fusion Markets against the Tax; and
- (d) agree to pay to Fusion Markets an additional amount to ensure Fusion Markets receives a net amount (after payment of any Tax in respect of each additional amount) that is equal to the full amount Fusion Markets would have received had a deduction or withholding or payment of Tax not been made.
- 23.7 You must reimburse Fusion Markets for all fees (both direct and indirect) and expenses charged in connection with any Contract (other than Tax on the income of Fusion Markets) and for all costs and expenses incurred by Fusion Markets in implementing these Terms and in enforcing its rights under these Terms (including its legal costs of external or internal legal advisers on a full indemnity basis).
- 23.8 Open Positions will be charged a Finance Charge Adjustment or will be entitled to receive a Finance Credit Adjustment, depending on the Contract chosen by you. These accrue (and so are calculated) on a second-by-second basis as determined by Fusion Markets (unless otherwise notified by you). The accrued charges or credits will be applied to an Account at any time chosen by Fusion Markets. This will usually be at the Calculation Time and at the end of Contract, but it may also be (without limitation):
- (a) either immediately at the time of entering into the Contract;
- (b) at day's end, or month's end;
- (c) at a rollover of the Contract; or
- (d) at any other time after entering into the Contract.
- (e) The Online Platform will display whichever of a Finance Charge Adjustment or Finance Credit Adjustment applies.
- 23.9 You remain liable to pay the Finance Charge Adjustment even though:

- (a) the charge may be called other things from time to time, even across different Accounts, different Fusion Markets Products or on the Online Platform at the same time;
- (b) the charge is not stated on a statement for an Account;
- (c) the charges differ according to how the Contract was made;
- (d) the charges differ according to the amount of the Account, regardless of the amount or value of the Account;
- (e) the rate is expressed or inferred to be an annual rate but is applied and calculated by the second or any other time interval proportional to the annual rate;
- (f) the Finance Charge Adjustment is first applied by way of posting the amount to the Account so that you become liable only for any net debit amount of the Account (or we owe you the net credit amount of the Account);
- (g) we may owe from time to time Finance Credit Adjustments (which are posted to the Account);
- (h) different rates apply at the same time to other clients' accounts;
- (i) the charge is applied at rollover but is not levied or enforced until termination of the Contract;
- (j) the Contract is denominated in a currency other than Account Currency; and
- (k) the rates will be as determined by Fusion Markets in its absolute discretion and you might not have prior notice of the current rate.

23.10 You acknowledge that you are responsible for your own legal costs associated with or arising from (at any time) entering into these Terms and for all Taxes and expenses incurred by you in connection with these Terms, including any Contract made under it.

24. Client monies and trust account

24.1 You agree that Fusion Markets may aggregate money paid into the Account ("the Monies") with funds received from other Clients into a single designated account, which will be maintained as required by law.

24.2 You consent to and direct Fusion Markets to:

- (a) retain any interest accrued from time to time on the Monies, and to invest that money as permitted by the Applicable Law;
- (b) withdraw Monies that constitute remuneration payable to Fusion Markets; and
- (c) withdraw Monies that it is otherwise entitled to pursuant to the Applicable Law.

24.3 If you are a Wholesale Client, you authorise and direct Fusion Markets to withdraw, apply or otherwise utilise the Monies:

- (a) in order to meet obligations (the **Obligations**) incurred by Fusion Markets in connection with Contracts. Obligations may include an obligation to make payments to a Related Entity and/or a liquidity provider in connection with liabilities Fusion Markets incurs when the Client and other clients place Contracts with Fusion Markets. Liabilities in this sub-clause include but are not limited to minimum floating margin requirements imposed by a Related Entity or liquidity provider, or other hedging requirements;
- (b) in order to enforce other rights that Fusion Markets has under these Terms or in the PDS; and
- (c) for any other reason allowed by law.

24.4 You agree that when Fusion Markets uses the Monies for a lawful purpose as set out in this clause 24, the Monies do not belong to you and do not constitute a loan or constructive trust in your favour.

24.5 If you have an open Contract, and Fusion Markets is entitled to make a deduction for any reason as set out in these Terms or the PDS, that deduction may occur immediately, and the Monies will become Fusion Markets monies. Conversely, if you have an open Contract and Fusion Markets is required to apply a credit to the client' monies for any reason as set out in these Terms or the PDS, that credit will typically be applied to your Monies as after completing Fusion Markets' end of day reconciliations.

25. Payments into your Account

25.1 You must ensure that:

- (a) payments into the Account are from you as the holder of the Account and not from any third party;
- (b) without limiting the above, payments from an account are payments from your account and not from any account of any third party.
- 25.2 You agree and acknowledge that Fusion Markets may refuse to accept or return any payment of money from any third party or from any account of any third party, and that Fusion Markets does not accept any liability or responsibility for any loss, cost or expense incurred or suffered by you in connection with such non-acceptance or return, including because the Client is subsequently in default of their obligations to Fusion Markets.
- 25.3 The moneys to which you are entitled under these Terms and which are under the control of Fusion Markets will be paid directly to you and not to any third party, unless you have otherwise instructed us to do so and we agree. You must provide relevant account details for payment instructions in respect of payments to be made by Fusion Markets to you. Although Fusion Markets will take reasonable steps to comply with your payment instructions, Fusion Markets accepts no responsibility for any failure to comply with those instructions and, if such failure occurs, the relevant moneys will continue to be held by Fusion Markets in accordance with the Corporations Act and Applicable Laws.
- 25.4 If Fusion Markets pays your funds to another person at your request, Fusion Markets is not liable to you for the performance by the other person who receives the benefit of the payment of your funds. In particular, without limitation, Fusion Markets is not obliged to enquire into:
- (a) the use of those funds by the third party;
- (b) any persons to whom the third party pays all or any of these funds;
- (c) the solvency of any of those persons;
- (d) the compliance by any of those persons with the Corporations Act, Applicable Laws and Rules;
- (e) whether any of those persons hold any part of these funds on any nominee, segregated account, trust or any other basis for your protection or security.
- 25.5 If Fusion Markets determines that your Account has been inactive for a reasonably long period, you authorise Fusion Markets to withdraw any Withdrawal Funds from the Client Moneys Trust Account to be paid into your nominated bank account.
- 25.6 You acknowledge that from the time any funds withdrawn from the Client Moneys Trust Account in connection with your Contracts:
- (a) lose the protections given to a Client Moneys Trust Account of that kind;
- (b) you are an unsecured creditor of Fusion Markets for its obligations on your Contracts; this includes exposure as an unsecured creditor for payment to you of the net Account balance (if any) after closing all your Open Positions;
- (c) the funds are no longer held beneficially for you.
- 26. Rolling over Open Positions**
- 26.1 In respect of each Open Position, subject to:
- (a) prior Close Out of that Open Position;
- (b) any express terms of the Contract; or
- (c) the express agreement of Fusion Markets to settle that Open Position,
- Fusion Markets is by these Terms instructed:
- (d) to vary the Open Position (in which case it will be deemed to be a new Contract) so that its settlement date is deferred to a Business Day to be agreed between Fusion Markets and you (and if there is no agreement by the Calculation Time on the Business Day immediately prior to the then applicable settlement date as agreed previously, it will be the following Business Day); and
- (e) to Close Out the Open Position and enter into a new Contract for the same Underlying Security and being the same bought or sold position except that the settlement date is to be one Business Day later and adjusted for any interest differential.
- 27. Dispute Resolution**
- 27.1 Except to the extent that this clause is inconsistent with the requirements of any legislative or regulatory regime, the dispute resolution process set out in this clause shall apply. The parties must use all their reasonable endeavours to resolve any dispute

arising in connection with these Terms or any Contracts thereunder.

- 27.2 If the parties fail to resolve a dispute within 5 Days of one party giving Notice to the other of the dispute, either party may, by giving Notice to the other, refer the dispute to the parties' Senior Officers (where you are an individual no such referral is applicable) who, each party must ensure, must co-operate in good faith to resolve the dispute as amicably as possible within 10 Days of the dispute being referred to them.
- 27.3 If the Senior Officers (or individual and the Fusion Markets Senior Officer) fail to resolve the dispute within 45 Days of the dispute being referred to them, the parties must, at the written request of either party and within 10 Days of receipt of the request, refer the dispute to mediation in accordance with, and subject to, the Institute of Arbitrators and Mediators Australia Rules for the Mediation of Commercial Disputes. The costs of the mediator shall be met equally by the parties. If the dispute or difference is not settled within 30 Days of the submission to mediation (unless such period is extended by Agreement of the parties), it shall be submitted to arbitration in accordance with, and subject to, the Institute of Arbitrators Australia Rules for the Conduct of Commercial Arbitrations.
- 27.4 This clause, however, does not limit your rights (if applicable) to take any dispute to an external dispute resolution scheme of which Fusion Markets is a member.

28. Tape recordings

- 28.1 You authorise Fusion Markets to record any or all incoming and outgoing phone calls with you without making a disclosure to you of this nature each and every time you speak with a representative of Fusion Markets. These calls may be recorded with or without an audible tone. You agree that Fusion Markets may use such recordings for the purposes of monitoring and training its staff, monitoring compliance with you and Fusion Markets' respective regulatory and contractual obligations and resolving disputes. If there is a dispute between Fusion Markets and you, you have the right to listen to any recording of those conversations (if still available). 33.1 These Terms may be terminated immediately by you or Fusion Markets by Notice in writing to the other.

33.2 The termination of these Terms shall not affect any Contract previously entered into and shall not relieve either party of any outstanding obligations arising under these Terms, nor shall it relieve you of any obligations arising out of any Contract entered into prior to such termination.

- (f) Fusion Markets considers, acting reasonably, that the Hedge Counterparty or issuer of the Underlying Instrument may not be able to meet its obligations to Fusion Markets under the terms of the Hedge Contract or Underlying Instrument or other contracts between Fusion Markets and the issuer of the Underlying Instrument or the Hedge Counterparty.

Fusion Markets, at its sole discretion, may terminate these Terms immediately by Notice to you, and Fusion Markets at its sole discretion shall be relieved of any obligations set out in these Terms or arising out of the Contracts contemplated by these Terms, including any obligations arising out of any Contracts already entered into with Fusion Markets.

34. Amending these Terms

36. Appointment of Fusion Markets as attorney

36.1 In consideration of Fusion Markets entering into the agreement on these Terms, you irrevocably appoint Fusion Markets and each director, secretary and principal executive officer and each employee (which employee's title of office includes the word "Manager" or "Head") of Fusion Markets and any other authorised representative of Fusion Markets (including an authorised representative of a related body corporate of Fusion Markets) severally as your

attorney at any time and from time to time following a Default, to execute and deliver all documents and to do all things which your attorney may consider necessary or desirable to give effect to the provisions of these Terms, and in particular, without limitation, in connection with, or incidental to, the exercise of any of the rights and powers of Fusion Markets under these Terms. Those powers may be exercised in the interests of Fusion Markets notwithstanding any conflict with the interests of Fusion Markets. This appointment survives termination of these Terms.

37.3 These Terms are governed by and construed in accordance with the laws in force in New South Wales, Australia and the parties submit to the non-exclusive jurisdiction of the courts of New South Wales, Australia.

37.4 Each part of these Terms is severable from the balance of these Terms and if any part of these Terms is illegal, void, invalid or unenforceable, then that will not affect the legality, effectiveness, validity or enforceability of the balance of these Terms.

37.5 No failure by us to exercise, and no delay by us in exercising, any right, power or remedy in connection with these Terms will operate as a waiver of that right, power or remedy. No single or partial exercise of any right, power or remedy will preclude any other or further exercise of such right, power or remedy or the exercise of any other right, power or remedy.

37.6 These Terms are not to be interpreted against our interests merely because we proposed these Terms or some provision in it or because we rely on a provision of these Terms to protect our interests.

37.7 You may not assign or otherwise transfer any of your rights under these Terms to another person without our prior written consent. Fusion Markets may assign, novate or otherwise transfer any of its rights under these Terms to another person without your prior written consent including, without limitation, in connection with a sale or transfer of all or part of our business to another person. Such an assignment shall only take place if a reasonable person would not expect it to cause detriment to a typical client of Fusion Markets. You will execute any documents (including a deed of novation) reasonably required by Fusion Markets to effect such a transfer. If you do not agree to Fusion Markets assigning its rights, you may terminate this Agreement. However, termination in this case does not affect any obligations owed by you, or rights of Fusion Markets with regard to any open Contracts held by you.
